**Revised June, 2010**

**ARTICLE I – ELIGIBILITY**

Players must meet the following requirements to be eligible for competition in the Keystone Midget Football Conference (KMFC and KMJL).

**Subsection I - Age**

Each player must be between the ages of six (6) and thirteen (13). The age shall be determined as of April 30th, for example a player can become fourteen (14) on June 1st and be eligible. Proof of date of birth shall be determined by birth certificate (certified copy) presented at the time of registration. In the event a birth certificate cannot be obtained, baptismal record or other proof of age shall be presented to and accepted by the Board of Directors of the KMFC before the player can participate in Conference games. This alternate proof of age shall be presented in person by the player, one of the player's parents or guardians and a representative of the requesting organization. Disapprovals will be subject to a protest hearing before the Board of Directors. Each organization will be responsible for the accuracy of the information submitted and will be subject to penalties hereinafter defined if discrepancies occur.

Any director has the right to request in writing to the Coordinator that the birth certificate for a specific player(s) be shown to the Director and the Coordinator, or their designees, within one week of such request. If the player(s) provided alternate proof of age which was accepted by the Board of Directors such alternate proof of age is sufficient for the purposes of this paragraph. Failure by the requested organization to show the required document(s) will result in the same penalty specified under Article VII-Protest and Penalties, Section 2 Infractions and Penalties under Conference Rules and Regulations.
